FAQ

What is the minimum order quantity?

Our standard MOQ is 50-100 units depending on the product type. Smaller trial orders are welcome for new partnerships.

What certifications do you have?

Jusen holds ISO 9001:2015, CE Marking, and UL certifications. Specific product certifications are available upon request.

Can I get samples before bulk ordering?

Yes. We ship samples within 15-20 days. Custom samples are produced to your exact specifications for approval before bulk production.

What is your lead time?

Standard production: 25-45 days after order confirmation. Custom orders: 45-60 days. Shipping: 15-30 days by sea freight.

Contact Jusen today for a free quotation and product catalog.
